DELWP Biodiversity Information Systems require a user account. These systems currently include STAR, NatureKit and ActivityKit. This page will allow you to create an account where you choose your own username and password. An email verification will be sent to your nominated email address to complete the registration.

To report issues with this service contact mail@biodiversity.vic.gov.au

In the next window type the email account you used to register into STAR:

The screenshot shows a web page titled "Biodiversity User Accounts" with a "Reset your password" form. The form includes an "Email" field with the placeholder "you@email.com" and a blue "Send a reset link" button. At the bottom, there is a link to "mailto:mail@biodiversity.vic.gov.au" for reporting issues.

You will receive an email from mail@biodiversity.vic.gov.au with a link to reset your password. The password reset link expires in 24 hours after the email is received.

Your password needs to be at least 10 characters long and contain at least a:

- ✓ number
- ✓ Capital letter

e.g. Password123

Note: To sign into STAR, remember to add 'biodiversity\' preceding your username, e.g., biodiversity\Zelda.Adlez
