

The \$50 million Local Parks Program will create new pocket and dog parks, and upgrade and improve existing parks. It is part of the Victorian Government's \$154 million investment to create more than 6,500 hectares of parklands and trails across Melbourne.

New Pocket Parks

Ranging in size from half a tennis court to a couple of Olympic swimming pools, pocket parks will include a range of features for local communities to enjoy.

Project

Glengala Pocket Park, Sunshine West

- ✓ Project scoping and funding
- ✓ Community consultation, detailed design, tender process (early 2021)
- ✓ Construction start (mid-2021)
- ✓ Construction complete and park opening (early 2022)

Location

Intersection Glengala Road and Gum Street, Sunshine West

Key features

By closing part of the street and repurposing an underutilised traffic island, this project will create nearly 1000sq.m of new open space for the local community. A green space including seating, path, shelter, lawn, garden beds, bike racks and a drinking fountain will provide a cool and green space to relax.
