Vegetation Quality Assessment list of certified assessors – November 2026

This is a list of currently certified assessors who have passed a Vegetation Quality Assessment (VQA) competency check and are listed on the DEECA VQA Competency Register

Anyone on this list can complete the site assessment detailed in the *Guidelines to remove, destroy or lop native vegetation* (DEECA Version 1.1). This document is incorporated in all Victorian planning schemes.

If any changes to this list are needed, send a request to habitat.hectares@deeca.vic.gov.au.

The VQA certification validity for each assessor is listed in the right-side column of the table.

If you have any queries or concerns about the Vegetation Quality Assessment work undertaken by any assessor on this list please contact habitat.hectares@deeca.vic.gov.au with examples of your concerns so that the Department of Energy, Environment and Climate Action (DEECA) can investigate and take action if appropriate.

How often is this list updated?

DEECA usually updates the list monthly (after a competency check) or as needed to update details.
